## Campus Tradition Alive in Revelries

Tomorrow is the night when an almost-sacred campus tradition comes to life once again. The 21st annual version of Spartan Revelries opens at 8:15 o'clock in Morris Dailey auditorium.

First-nighters may expect a pleasant surprise. "Hey Mac!" features several departures from past productions of Revelries. The plot does not concern college students.

## Assembly Opens Annual Women's Week Activities

President John T. Wahlquist, speaking on the woman's roll in the modern world, yesterday gave official sanction to Women's Week activities on campus.

Dr. Wahlquist told the women students and faculty members in the audience that he was proud to belong to a college that sponsored such a week.

Guest speaker at the first annual Women's Week assembly, which was held in Room 24, was Mrs. Minna Jackson, senior merchandising manager for Roos Bros. stores.

Mrs. Jackson spoke on the highlights of "Fashion Merchandising." "As a career, this field offers much for young men and women who are interested in a fascinating, fast moving business," the merchandising expert said.

Don Camp, who was crowned "Jack of Heart's" at the annual Valentine dance Saturday night was introduced to the small, but enthusiastic group attending the assembly. Mr. Camp will reign over the activities for the week. Today AWS is sponsoring a carnation day. All profits from the sale of carnations will go into a fund for Chapel candelabra.

Swimming and volleyball for all women students are the activities planned for the day. Swim time is 4:15 p.m. in the Women's gym.

Following Mrs. Jackson's talk, a reception was held in the Student Union. Judging by the turn out for the assembly and the reception, Ingrid Anderson, chairman of Women's Week, said that women students must underestimate their importance in college and world activities.

## Camp Leaders May File Now

Students wishing to serve as counselors at the Freshman camp at Asilomar Sept. 13, 14 and 15 may file applications in the Student Body office this week, according to Pat Engerud, assistant camp director.

It deals with the speakeasy life and gangster world of New Orleans during prohibition.

The musical comedy will not use a pit orchestra. A piano and dixieland combo that is an integrated part of the scenes in the all-student production will present the numbers of student-composer Maurice Bodwell.

Jim Veteran, class of '50 and composer for "How's it Goin' the 1949 Revelries, witnessed a recent rehearsal and commented:

"Good stuff!"

Dave Woods, production director, and Jim Porter, publicity director, believe Spartans will agree with Veteran after they see "Hey Mac!"

More than 80 students have worked for more than three months to produce the show.

The Revelries cast, as announced by Woods, includes: Wayne Mitchell, Carolyn King, Lee Leidig, Yvonne Michie, and Don Curry in leading roles. They will be assisted by Maurice Bodwell, Dawn Marie Rorman, Phil Goodwin, Jayne Peterson, Wally Eshleman, Norm Yiskis, Alson Moser, Harry Santi, John Aitken, Bill Kennedy, Clyde Allen, Pat Branch, Gene Broderick, and Jack A. Byers.

Chorus personnel includes Joan Alcalde, Charlene Batjier, Nancy Inglis, Norma Lieftrick, Colleen Page, Jayne Peterson, Shirley Sperling, Dawn Marie Rorman, LaVerne Forni, Nancy Kelley, Claudia LeFevre, Dave Caldwell, Ron Derbyshire, Bill Nix, Phil Goodwin, Lee Leidig, Robbie Anderson, Gene Standfield, Barbara McGee, Marty Darrow, Donna Atherton, Hal Ely, Barbara Brown, Rudy Posch, Dave Redmond, Paty Lieftrick, and Wanita Wilent.

Tickets are on sale at the Graduate Manager's office for any of the show's four-night run. Student price is 60 cents.

## Date With Death

NEW YORK (UP) — Federal Judge Irving R. Kaufman yesterday set the week of March 9 for the execution at Sing Sing of convicted atom spies Julius and Ethel Rosenberg.

## Group Studies Term Length

The advantages of a change to the semester system for the college will be studied by a new committee appointed by President John Wahlquist.

President Wahlquist stated he is impartial regarding a possible change.

He pointed out, however, that the situation should be considered because the college loses a larger percentage of students in the two breaks between quarters than it would in the one vacation between semesters.

The quarter system increases the work of the business office by one-half, he said.

"The argument that the quarter system is more adaptable to the needs and wishes of students may be false," he said.

## Aid Fund Drive Begins

"Down-town collections for the athlete work-aid fund are going very well," Tom Mullan, chairman of the drive, reported yesterday.

Contributions from one block totaled more than \$150 dollars, Mullan disclosed. Students will continue to contact merchants through Saturday for football aid contributions.

Members of Sigma Chi social fraternity, Spartan Shields honorary group, AWS, and Delta Upsilon, social fraternity, will be taking collections on campus today.

Lee Lemkuhl, Tom Brown, Wayne Schmoldt and Don Weichert were to have contacted the Freshman, Sophomore, Junior and Senior class councils yesterday.

"Goal of the fund drive is to raise enough money to assist 35 athletes during next year," Mullan revealed. "These men will work for their money, and there won't be any 'stoking the furnaces in the middle of the summer,'" he declared.

Gold footballs will be awarded those who contribute \$1 or more. If the donation exceeds \$10, the contributor will be awarded a Spar-Tens membership, Mullan said.

## Class Officers Take Over Jobs

Chief Justice Don Binder berated the Senior class council for its apathy yesterday afternoon as he installed 14 class officers before their respective class councils.

Each class got a president, vice president, secretary and treasurer, with the exception of the freshman class, which installed two representatives to the Student Council.

## Prexy Speaks

Dr. John T. Wahlquist, president, will speak tomorrow at a meeting of approximately 150 non-teaching employees of the college. The session will be held at 3:30 p.m. in Morris Dailey auditorium, according to Byron Bollinger, supervisor of construction and repair, who made arrangements for the address.

•

## School Heads Meet Today

College admission problems of high school students will be under discussion at the meeting here today of 21 representatives of Bay area high schools.

Thirteen high school principals are among the delegates.

Discussion sessions will be held in the morning and afternoon, according to Dr. James DeVoss, executive dean.

The representatives will propose the particular subjects to be considered, Dr. DeVoss said.

Dr. John T. Wahlquist, president, will address the group at 10 a.m. and attend the meetings throughout the day.

## Jaycee Issue Study Begins

Two researchers on education and finance will be on campus today to begin a study of data pertaining to the controversial junior college split issue. President John T. Wahlquist announced yesterday.

They are Roy Bell of the State department of finance and Don Youngreen of the department of education. Information gathered here will implement a bill introduced by Assemblyman Bruce Allen. The bill requires the college to present two sets of data on the separation issue for the consideration of the assembly.

## A Week To Think

This is National Brotherhood week, when people all over the world should realize that they have a common kinship.

What about people at this college? Are they the kind who can embrace anyone, regardless of race or creed, as a brother?

In most cases, yes. We judge people as individuals, because that comes with education. Some of our friends are Negroes, Japanese, Jews, or Mexicans.

Whatever their religion or nationality, we tend to evaluate them as we would any of our friends, on the basis of their personalities and mutual interests. They are our friends . . . just because we like them.

Nevertheless, we can't pat ourselves on the back too much. We can't gloss over the fact that, as much as we fight against it with Brotherhood weeks, prejudice still can be found on the campus.

A poll was taken last year to determine what fraternities thought of initiating Negro members. It showed some discouraging results.

Out of the 211 fraternity men asked, 56.4 per cent answered in the negative, 21.3 per cent were "uncertain," and only 22.3 per cent said that they would be willing to accept Negro members.

However, 73.5 per cent of the men said that they would value the friendship of a Negro as highly as that of any other fraternity brother.

The latter is a good start on the way to the elimination of an attitude that should have no place in an institution of learning. But it also shows that many of us should sit down and do a little mental housecleaning.

## Camp Leader Here To Seek Counselors

Students interested in the Santa Clara County School Camp should meet tomorrow evening, in Room S112, at 7:15 p.m. This will be an orientation meeting for general counselors for the camp which will be held in the spring.

Elwood Mitchell, camp director, will explain counselor responsibilities. Films taken at camp will be shown.

At this time preliminary scheduling for the weekly sessions will be made. Camp will operate from Apr. 20 to May 29, and 12 to 14 counselors a week will be needed.

## Oral Reading Hour Offered Tomorrow

A varied program of prose and poetry, ranging from early fables to bits by James Thurber will be read at the third oral interpretation hour of the quarter in Room 8 of the Women's gym at 3:30 p.m.

Oral reading students who will participate in the program are: Martha Mizutake, Sara Kozad, Wilma Milligan, Herman Osario, Elaine Benas, Mary Ellen Nicholson, Rosemary Richardson, Catherine Durand, Joanne Pratt, Charles Knox, Gary Brennan and Max McDonald.

William Kinsey will act as student master of ceremonies. The public is invited to attend, according to Mrs. Margaret Chamberlin, associate professor of speech.

## Instructor Given IA Board Post

Angelo Centanni, industrial arts instructor, recently was appointed to the IA Candidate Teachers Selection board.

Selected by Dr. Heber A. Sotzin, department head, Centanni replaces James Casey, associate professor of industrial arts, who is on sabbatical leave.

## Movies Tonight Will Show the Charm Of Mexican, European Music World

A music-connoisseur's view of Europe and Mexico will be shown by Miss Frances Robinson, assistant professor of music, tonight at 8 o'clock in Room 210.

Miss Robinson, who has spent her last three summer vacations in the music capitals of the continent, will show color movies of her trips with the Temple University Music Study tours, and her recent vacation in Mexico.

She will share with her audience musical memories of the colorful Salzburg festival, the Paris opera season, and the artistic background of Rome, Florence, and Vienna.

Through her movies, Miss Robinson will bring to life the musical atmosphere of Europe and the deep rooted love the European has for music.

"Music is something the European cannot do without. The average European will sit unperturbed in the rain to listen to a concert. Even the movement of a program or a deep breath will disturb him," she explained.

Miss Robinson added that this feeling is beginning to be shared by the non-musical American student who rapidly is learning that music is a necessary part of his cultural background.

This is just another step in what Miss Robinson feels is an upswing in the American music world. Despite the rising popularity of American composers both here and in Europe, she explained

that there is no decline in the European musical field. European artists consider their fortune made when they perform in American cities.

In addition to enjoying the famous cathedrals, art galleries, and museums, Miss Robinson enjoyed her contacts with the tour's personnel. Among the persons who travel with the Temple tours for university credit or just for fun, are retired professors, students, society matrons and business men.

The tours include brief stops in Holland, Brussels, Paris, England, Italy, Salzburg and Vienna.

## Psychology Group Takes New Pledges

Psi Chi, national psychology club, initiated eight pledges Friday night at a banquet at the Hotel Italian.

Dr. George Muench, associate professor of psychology, appeared as the guest speaker. His topic was "Related to Psychology."

Initiates included Keith Henshaw, Tom Baker, Bill Harp, Pat Lockwood, Shirley Sedgwick, Ray Schumacker, Mildred Erickson, and Jeane Deurson.

# SJS Ring Squad Tied by Wolfpack

Upsetting two undefeated Spartan boxers, University of Nevada's surprisingly strong ring team fielded the Raiders to their third draw of the season at Reno last night.

A review of the score card after the last bout of the evening gave the Spartans the draw. The score stood 5-4 in favor of the Wolfpack after Paul Reuter had earned a referee's decision over Ed Hollingsworth in the heavyweight division.

Joe Rodriguez, who was announced as having lost to Nevada's Duane Moore in the 132 lb. bout earlier in the night, was given a draw, throwing the entire meet into a tie.

Al Accurso and Ed Heinrich tasted defeat for the first time this season as the Raiders were tied for the third time this year. The Spartans have lost only four times in four seasons.

Accurso lost the bantam-weight bout to Sammy Macias and Heinrich was stopped by hard-hitting Tom Massey, middleweight.

Mike Guerrero, Bill Mendosa, and Al White (by means of forfeit) scored other SJS points. Guerrero consistently landed left jabs in the face of Elwood Hagerty to win the featherweight bout. Mendosa earned a referee's decision by sending Jim Jeffers to the canvas in the third round of the 156 lb. battle.

Norm Carter, substitute for Darrell Dukes in the light-heavyweight bout, lost a referee's decision to Bill Griggs.

Dick Bender lost the welterweight bout to Doug Byington, Nevada ace who has not lost a match in 11 starts.

## Spartans Tie For Second in Judo Tourney

San Jose State tied with Oakland YMCA for the runner-up spot in the junior PAAU judo championships held Sunday in Oakland. There was also a tie for first place between the San Francisco "Y" and the Stockton Judo club.

The co-winners had eight points to edge the seven-point efforts of the Spartans and the Oaklanders.

In the 130-lb. division, SJS's John Hernandez was third behind Oakland's Martin Schmidt and San Francisco's Yoshio Otoshi.

Bob McCorkle was second in the 150-lb. division, which was won by Tom Quon of the San Francisco YMCA.

The Spartans were shut out in the 180-lb. class, but Harp Didier captured second behind former Spartan Jim Schimke, now competing for Stockton, in the heavyweight division.

Coach Yosh Uchida said after the matches, "These tournaments give me an idea of which men to select for future tournaments conducted on a team basis. The loss of Ken Fare, Bill Thompson and Roy Hiram for this tournament set us back considerably. Harp Didier was not one of the men selected to represent SJS, so his place did not count for team points."

"It is gratifying to see the improvement of the beginning class in this tournament as compared to their showing in the novice PAAU. Their advancement has been greater than any previous class that I've had," he said.

## Tennis Team Plays Indians Thursday In First '53 Meet

The Spartan tennis team journeys to Stanford Thursday afternoon to inaugurate its 1953 season. Starting time has been set for 2 p.m.

Coach Bob Renker's Indian netters suffered a 5-4 loss to the Palo Alto Tennis club in their season opener Saturday.

The tentative line-up chosen by Spartan Coach Hugh Mumby is Butch Krikorian, number one; Don Straub, number two; Jim Austin, number three; Bob Phelps, number four; George Bill, number five; and Jack Capon or Phil Wilson, number six.

## Cagers After Fourth Successive Win Tonight

The Spartan basketball team will be looking for its second win of the season over Fresno State and its fourth triumph in a row tonight at Fresno.

The Raiders, winners of five of their last seven games, downed the Bulldogs in the second game of the season, 58-40.

Coach Walt McPherson's main worry tonight will be Fresno Forward Len Tucker. The giant transfer from College of Sequoia has been averaging more than 18 points per game and is the Bulldogs' best floorman.

In a non-conference game played on Saturday, the USF Dons held Tucker to one field goal and seven total markers for his lowest output of the year. Lowell Reynolds, Tucker's 6'5" runningmate, and center Fred Bartels were the high scorers against the Dons.

The rain city team has a pair of tall men in the guard spots, in Don Viel and Hugh Scaffer. Viel stands 6'3" and Scaffer is 6'6".

McPherson is looking for the Spartans to continue to display the good ball control and playmaking that have been prevalent in recent contests.

In search of his 12th win of the season, McPherson is expected

SPARTAN DAILY 5

to begin the game with Don Edwards and Dick Brady at forwards, Fred Niemann at center, and Carroll Williams and Lee Jensen at guards.

Street scene in Tehachapi after last July's earthquake.

# ...EARTHQUAKE...

In the predawn of last July 21, the most severe California earthquake since 1906 struck the small town of Tehachapi.

Walls were collapsing, buildings were folding. The town's telephone office shook to its foundation. But the night operator remained at her switchboard until it went dead. Main cables to the office were pulled to the ground when a nearby wall caved in.

This was at 4:50 A.M.

By 8:30 A.M. telephones were set up on the edge of town for use by the Red Cross and other emergency workers.

By late afternoon, the telephone switchboard was working. Tehachapi residents were able to contact friends and relatives concerned about their safety.

By 9 P.M. two TV stations were sending live telecasts of the damage. Telephone men had established a radio-relay system in less than 12 hours.

It was a typical disaster—brutal and unannounced. But telephone men were prepared. They quickly restored communication when it was needed most. They demonstrated the resourcefulness and technical skill typical of telephone people.

These are some of the qualities we seek in the college graduates we hire. Your Placement Officer can give you details about opportunities for employment in the Bell System. Or write to American Telephone and Telegraph Company, College Relations Section, 195 Broadway, New York 7, New York, for the booklet, "Looking Ahead."

## Sign-Ups Begin Tonight For Ski Fun and Frolic

Signups for the annual Bay Area Ski Federation carnival weekend, Feb. 28 to Mar. 1, at Donner Summit will be taken at tonight's meeting of the Ski club in Room S112 at 7:30 p.m.

According to John Bishop, club president, the carnival is the only one of its kind in the United States and will be covered by newsmen. Twenty-three ski clubs of the Bay area will take part in the festivities. Prizes will be awarded to the club compiling the top score in the carnival. A dance will be held Feb. 28, the night before the ski competition.

A dance also will be held this weekend at Squaw valley and a name band will supply the music, according to Bishop. It will be a masquerade affair with prizes awarded to the best costumes. Members are asked to bring deposit money tonight for the trip to Squaw valley.

The local club finished third in a field of three teams in last weekend's First annual All-Col-

lege Ski weekend at Donner Summit. Final scores in the ski competition were: Stanford, 122 points; California, 119, and SJS, 62 points.

Turning in the top performances for the local skiers were Jan Brockman, who captured a second place in the women's slalom, and Carol Clark, who finished fourth. Bob Snyder finished eighth in the men's slalom.

More than 300 took part in the festivities.

### Officials To Meet

Three members of the school administration will attend the State Credentials workshop at Oakland Feb. 19.

Miss Doris Robinson, teacher placement director, Miss Viola Palmer, admissions officer, and Dr. William G. Sweeney, education department head, will attend the workshop, sponsored by the State Department of Education.

## Death Valley Trip-Takers To Hold Meet

Students signed up for the Death Valley field trip will meet tomorrow night at 6:45 p.m. in Room S112. This will be the only meeting of the group before it leaves on the trip.

The time originally was planned for 7:30 p.m., but a time conflict with Revelries forced the West Coast Nature school to change the meeting time to 6:45 o'clock the same night.

Dr. Gertrude Cavins, secretary for the group, said that all members must be present for the meeting. Any student who cannot attend is asked to contact Dr. G. A. McCallum or send a representative in his place.

The students will be divided into cooking groups, and students must pay \$12 for food to be used on the trip.

### Dr. Kartchner To Speak

Dr. Wayne Kartchner, professor of geology, will speak on "Making Choices in Life" at Chapel Service this morning.

The service will be held at 10:45 o'clock in the college Memorial Chapel.

## Phi Eta Sigma Scholarship Fraternity Asks 30 Lower Division Men to Join

Phi Beta Sigma, lower division, men's scholarship fraternity, has invited 30 students to become members.

To be eligible for membership, a student must have a 2.5 grade point average and must be in lower division.

Those eligible for membership include Vernon Boyer, Cliff Coon, Al Dossola, McCleary Douglas, Don Dumas, Joe Evans, Charles Givens, Frank Glass, Darwin Hagemann, Bob Hipkiss, Bob Honaker, Bill Hooper, Alan Hugo, John Jordan and Stan Kaufman.

Others who received invitations were Larry Krebsbach,

Charles McKee, Ted Maasa, John Monser, Charles Murphy, John Neeley, Eizo Nishiura, Bob Peterson, David Peterson, Joe Sandoval, Fred Soares, Joe Spinella, Val Thornton, Bob Walkington, Ken Wiersema and Gerald Worth.

Any men on the list who were unable to attend the meeting on Feb. 9 or who are not on this list and believe themselves eligible should check with William Dusel, faculty adviser, said Sam Yates, president of the fraternity.

San Jose State college was accredited by the Association of American universities in 1942 and by the Northwest Association of Secondary and Higher schools in 1941.
